

## Meet your teacher

Your teacher next year will be Miss Page

Dear Year 1 ,

I am so happy and excited to be your teacher in Year 1! I was very lucky to get to meet you already when you were all so welcoming. I am really looking forward to getting to know you all during transition and finding out about your interests.

We have lots of exciting topics and things to look forward to in Year 1 and I can't wait to experience them all with you.

I just know we're going to have an amazing year and I can't wait to start our journey together at St. Peter's. Let's reach for the sky!

I really enjoy travelling to new places and exploring when I can. One of my most memorable adventures was being in the forests in Africa with the monkeys!

I enjoy anything artistic and particularly love painting and drawing. I also love sports, especially gymnastics!

My favourite place to go to is Wales. I love spending time with my family there and taking my dog, Elvis, for a walk on the beach!

One of my favourite meals would be spaghetti carbonara with cheesy garlic bread, followed by cookie dough with ice cream for pudding.  
... I do love most foods though!
