

Meet your teacher

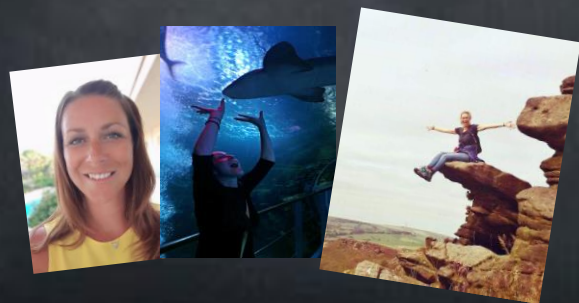

Dear Year 1,

Your teacher next year will be Mrs Hadley

I am so excited to be your teacher in Year 1! I have heard that you have all been working hard in Reception and I am positive that we are going to have lots of fun as we continue your learning adventure at St Peter's.

We will explore and investigate some exciting topics in Year 1. There will be lots of new learning, plenty of opportunities to develop skills and time to share what we have learnt.

I am looking forward to joining you on your journey next year and to seeing your bright, beaming smiles of joy and pride when you make a new discovery or master a new skill. I can't wait!

It is really important to me to spend time with my family. Whenever we can, my whole family gather at my parent's house for Sunday lunch. My mum makes the best Sunday roast ever!

I love exploring and going on adventures! Whether you're visiting Cannock Chase or travelling somewhere you've not been before, there is always something new to discover!

One of my favourite things to do is travel to new places. The most exotic place I have ever been to was the Maldives where I was able to swim with tropical fish, stingrays and even sharks!

I have a little girl called Evie who is 8 years old. She likes dancing and has been teaching me some of her routines. I've always loved dancing, but I don't think she's very impressed with my moves!
