Meet your teacher

Your teacher next year will be Mr Turner

Dear Year 5,

I am delighted to be working with a new year group in school! I am excited for another year in Year 5 and I am sure it will be the best one so far

In Year 5, it is an exciting year as we start preparing for Year 6 and have our first residential. We will cover some fantastic topics including: Space, The Anglo-Saxons, British Monarchy, Our Local Area, Ancient Greece and Fair Trade. The children have loved these topics and I look forward to seeing you enjoy these too as you develop new skills.

The thing I am looking forward to most about next year is YOU! It will be great to work with a new year group and face a new challenge together!

My favourite colour as a child was always green as it reminded me of the countryside and our local area although gold and black are two very important colours to me also. 🖓

My happy place is Molineux! At my

Christening in St. Peter's Church, I was

given a Wolves scarf and I have been

going since I was 1. I go and watch

Wolves home and away when I can. I

also love watching live cricket and enjoy

a day watching a Test Match, especially during an Ashes summer!

TITIII

My hobbies include watching football and cricket. I am a home and away season ticket holder at Wolves. I play cricket in the summer and currently captain one of my former pupils! I also enjoy running and walks around Cannock Chase and Hednesford. Finally, I love spending time with my best friends - most of whom I met at St. Peter's.
