Happy New Year!

2019 was an outstanding year for our fundraising! We were incredibly successful and could not have done it without your fantastic support!

This has allowed us to pledge £6000 towards the construction of the Outdoor Classroom and we have pledged another £1500 to help furnish the Outdoor Classroom with resources and equipment. This is something we are committed to funding in providing the best experience for all pupils at St Peter's and supporting the vision of the school. Additionally, it has allowed us to maintain our commitment of giving a £4 trip contribution for all pupils as well as covering the costs of the Years 4, 5 and 6 music exams. We are also proud to announce that we have been able to grant £100 towards SEND supplies for children following the Christmas Fayre!

Our next focus for fundraising involves us working with the academy to identify ways to improve playground areas, activities and facilities to support all children in having fun, active and engaging break and lunch times with their friends.

It was also a brilliant year in gaining new volunteers and members. Our events take considerable organisation to prepare and run so the increase in the support has allowed these to be so successful! We are continually looking for support and members to develop our fundraising and to ensure that we keep moving forward with it. Thank you to everyone who gave up their time to help out! If you would like to get involved and volunteer, please leave your details at the office or contact us via the Facebook page.

Upcoming Events
